

go change lives go change you

you sacrifice spring break, raise funds, train hard, memorize scripture, practice over and over to share the gospel, and then you go and do it. you'd think it would be exhausting. you'd think it would wear you out. it does. you change lives. many lives. yet somehow, the experience changes you. you're energized. you're filled with a sense of spiritual wonder. you have a deep sense of fulfillment. you go to change lives. But you return a life changed. it's a kingdom irony.
