

WHAT IS WBA CORE PROGRAM

WBA's Core 30 program provides year-round mentoring. Young people, in grades 6-12, who want to learn more about baseball are paired with a knowledgeable instructor who cares about each student's life beyond the game. These mentor instructors teach life lessons emphasizing WBA Core Character Traits. The value that WBA places on these traits is also communicated to parents, who also find support and friendship from our On Deck Director.

NEXT STEPS:

World Baseball Academy maintains a designated Scholarship Fund to which young people may apply to participate in the Core 30 program. To become a part of this unique learning experience please contact our On Deck Director, Blake Converset via email at blake@worldbaseballacademy.com or via phone at 260-750-5366.

WBA'S

Junior Leadership Challenge

On Deck Initiatives

The Core Program is just one part of WBA's On Deck Initiative! Other On Deck programs include Leadership Initiatives, Adaptive Services, Summer Camps, and WBA's STEM program. Each of these programs make an impact on local youth in different ways. For students in the Core program, these other On Deck programs serve as opportunities to volunteer and grow as servant-minded leaders.

SUMMER CAMPS

Badges for Baseball

ADAPTIVE SERVICES

All Abilities Camp
Up To Bat Camp
Adaptive Softball Camp
