For Schedules & Results:

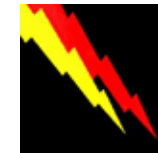

Welcome to World Baseball Academy's ASH Centre athletic complex, home of the highest quality youth baseball park in Northern Indiana.

WBA's vision is to develop leaders who will positively impact our world. We hope all coaches and parents value this vision for their own kids. While prevailing culture stresses "winning is everything," let's place a higher value on the personal development of each young athlete in our care. Join us in using baseball as a platform for positive influence.

WBA's three fields with artificial surface infields were built in 2017. We are grateful to all who donated a total of \$3.7 million to make this vision a reality. In partnership with the Cal Ripken, Sr. Foundation, WBA has built a fourth diamond. It is Northeast Indiana's first 100% artificial surface, adaptive field, sized for youth baseball and softball, built to serve all populations, including those with developmental and physical disabilities.
